

## **OPaL Shines at ACCQC-2024 with Gold Award Wins**

We are proud to announce that OPaL Teams from Central Lab, Security, HDPE, and PP have secured the prestigious Gold Award at the 12th Annual Convention of Quality Circle Forum of India's Ankleshwar Chapter (ACCQC-2024). Competing against 216 teams from various companies, OPaL's achievements in the Allied Quality Concept category highlight our continuous commitment to excellence.

In addition to these accolades, OPaL employees also earned top spots in various competitions. Sh. Vijayinder Singh (Sr. Manager - Security) secured First Place in the Essay competition, while Sh. Shailendra Sah (Dy. Manager - Security) and Sh. Lokesh Kumar (Jr. Supervisor - Security) achieved Second Place in Slogan Writing and Poetry, respectively, while Sh. Ravi Sharma (Asst. Manager - Security) received an Encouragement Award for Essay Writing.

The Annual Convention of the Quality Circle Forum of India (QCFI) is a key event focused on promoting quality management concepts across industries in India. These conventions, organized by various chapters like the Ankleshwar Chapter, bring together professionals, teams, and organizations to discuss and present case studies on Quality Circles, 5S, Kaizen, Total Productive Maintenance (TPM), and Total Quality Management (TQM). Participants often showcase successful implementation of these concepts within their organizations, contributing to productivity and process improvement.

This recognition stands as a testament to OPaL's ongoing journey of quality and excellence.
