Independent Auditor's Review Report on review of Financial Results for the quarter ended December 31, 2023

To,
The Board of Directors,
ONGC Petro additions Limited,

1. We have reviewed the accompanying statement of Standalone unaudited financial results of ONGC Petro additions Limited ('the Company') for the quarter ended December 31, 2023 pursuant to the requirement of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. Emphasis of matter

The Company has incurred a net loss after tax of Rs. 11,531.06 million during the quarter ended December 31, 2023, accumulated losses to the tune of Rs. 1,60,322.15 million and Company is having *negative* working capital of Rs. 99,625.35 million as of that date. The net worth of the Company has drastically come down to *negative* and stands at Rs. 20,032.49 million as of December 31, 2023, which may cast a doubt on the ability of the Company to continue as Going concern. In spite of these conditions and note no. 11, the management is of the opinion that going concern basis of accounting is appropriate. Our opinion is not modified in respect of this matter.

5. Based on our review conducted as above and subject to note no. 4, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable Accounting Standards prescribed under section 133 of the Companies Act, 2013 read with the relevant rules framed thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
