Explanatory Statement pursuant to Section 102 of the Companies Act, 2013

The following statement set out all material facts relating to the Special Business (s) mentioned in the accompanying Notice:

Item No. 1 and 2

Approval for Material Related Party Transactions with Related Parties

As per provision of Section 188 of the Companies Act, 2013, Related Party Transactions (RPT) such as sale, purchase or supply of any goods or materials; selling or otherwise disposing of, or buying, property of any kind; leasing of property of any kind; availing or rendering of any services; appointment of any agent for purchase or sale of goods, materials, services or property etc. which are not in ordinary course of business or not on arm's length basis and exceeding the specified limits of turnover/net-worth require consent of the members through Ordinary Resolution.

As per Regulation 23(4) of SEBI LODR Regulations approval of the shareholders through ordinary resolution is required, if the transaction(s) to be entered into individually or taken together with the previous transaction(s) during a financial year with a related party, exceeds Rs. 1,000 crore or 10% of the annual consolidated turnover of the Company as per the last audited financial statements of the company, whichever is lower, even if such transaction is in ordinary course of business and at arms' length.

The Company undertakes transactions with Related Parties i.e. its Associates, under common control and Joint Venture Companies, in the ordinary course of its business and on arms' length basis for furtherance of the business interest of the Company. The Company proposes to enter into material RPT with Related Parties as mentioned in Item No. 1 and 2. The Audit Committee had already reviewed the material RPT and recommended the same for approval of the Board. The Board of the Company also reviewed the material RPT and recommended the same for approval of the Shareholders. Accordingly, Shareholders approval for the material RPT is being sought at ensuing EGM.

Specific details as required for Material Related Party Transactions with OPaL are provided at **Annexure - A** of the Notice.

None of the Directors or Key Managerial Personnel of the Company or their respective relatives are concerned or interested, in the resolution set out at Item No.1 and 2 of the Notice. The Board recommends the Ordinary Resolution set out at Item No. 1 and 2 for the approval of Members.

Item No. 3

To borrow money under Section 180(1)(c) of the Companies Act, 2013

Board in its 85th meeting held on 8th June, 2020 has approved the borrowing limit of Rs. 37,500 crore to cater the different types of borrowing of the Company. Borrowing limit was subsequently approved in 15th Extra Ordinary General Meeting of the members of the Company in its meeting held on 7th September, 2020.

It is relevant to mention here that the Section 180(1)(c) of Companies Act, 2013 states "temporary loans" means loans repayable on demand or within six months from the date of the loan such as short-term, cash credit arrangements, the discounting of bills and the issue of other short-term loans of a seasonal character, but does not include loans raised for the purpose of financial expenditure of a capital nature.

It is pertinent to mention here that outstanding amount may be considered for calculation of borrowing power limit only for the facilities where repayments have already been started, like Long Term Loan-I,

Long Term Loan-II, Unsecured Rupee Term Loan from ICICI Bank and Non-Convertible Debentures, as the repaid limits will not be again available for drawdown. Otherwise for remaining facilities total tied-up limits may be considered to arrive at total borrowing power limit. Further, it is proposed to raising funds through different types of cost-effective instruments up to Rs. 5,500 crore.

The raised funds will be utilised to replace existing loans, cash flow mismatch, repayments and other obligations etc. Hence, it is proposed that borrowing power limit may be increased to Rs.43,000 crore.

None of the Directors and Key Managerial Personnel of the Company or their respective relatives are concerned or interested in the Resolution mentioned at Item No. 3 of the Notice.

The Board recommends the resolution set forth in Item No. 3 for the approval of the Members.

Item No.4

To consider and approve issue and allotment of Non-Convertible Debentures (NCDs) on private placement basis upto Rs. 5,500 Crore

Board in its 110th meeting has accorded its approval for issue and allotment of Non-Convertible Debentures (NCDs) on Private Placement basis upto Rs. 5,500 Crore.

Current capital structure of OPaL relies heavily on interest bearing funds and internal accruals of OPaL are not sufficient to meet its debt servicing obligations. The Company is managing major debt obligations like principal repayment of loans and interest/coupon servicing etc. by arranging the funds through fresh loans in the form of unsecured Short Term Loans (STLs), NCDs, Medium Term bank loans, CPs etc. STLs are of up to 12 months tenure and leading to mismatch of repayment of debt / coupon payment schedules.

Further, as per existing debt profile of OPaL, it is observed that it majorly consists of bank borrowings. Hence, it is imperative to diversify its debt profile to have mix of various debt instruments to get natural hedge benefit in terms of blended cost of interest. The fund requirement till June, 2024 is summarized as under:

Sl. No.	Fund Requirement	Amount (Rs. in Crore)
1	LTL-I Repayment	553.20
2	LTL-II Repayment	89.64
3	Unsecured RTL repayment to ICICI Bank	250.00
4	Unsecured Medium-Term Loans repayment	202.50
5	STL Repayment including CPs & forex borrowing	2,650.00
6	Coupon payments, monthly interest and other compliance	1,450.00
	Total	5,195.34

Further, RBI has introduced guidelines through circular no. RBI/2016-17/50 DBR.BP.BC.No.8/21.01.003/ 2016-17 dated 25.08.2016 on "Enhancing Credit Supply for Large Borrowers through Market Mechanism". The guidelines are applicable from 01.04.2018. From 01.04.2019 onwards a borrower will become "Specified Borrower" if Aggregate Sanctioned Credit Limits (ASCL) to the borrower by Banking System is in excess of Rs.15,000 crores. Accordingly, guidelines are applicable to OPaL w.e.f. 01.04.2019.

SEBI through circular no. SEBI/HO/DDHS/PoD1/P/CIR/2023/119 dated 10.08.2021 updated as on 07.07.2023 has also mandated, beginning with large entities, to meet about one-fourth of their financing needs from the debt capital market. From April 01, 2019 onwards, listed entity as on last date of the financial year, having an outstanding long-term borrowing of Rs.100 crore or above and having a credit rating of "AA and above" is considered for the purpose of applicability of "Large Corporate" entity. OPaL is meeting all these criteria, hence shall be considered Large Corporate as defined in the SEBI Circular. Accordingly, in case, from FY 2022, at the end of block of three years, any shortfall in the requisite

borrowing from debt capital market, a monetary penalty/fine of 0.20% of the shortfall in the borrowed amount shall be levied and same shall be paid to stock exchange(s).

Hence, while doing bank loan tie-up to comply with RBI guidelines, it is imperative for OPaL to do fresh NCDs issuances also in appropriate tranches to comply with SEBI guidelines. At present, entire bank borrowings of OPaL is linked with floating interest rate benchmarks. So, tie-up of funds both from NCDs route with fixed coupon and Bank line route with floating interest is likely to provide natural hedge to interest rate risk. Further, conversion of existing INR STLs into loan instruments of medium term/ long term tenure may provide cushion, moratorium as well as breathing space.

Hence, requirement of funds may be catered through issuance of NCDs up to Rs. 5,500 crore.

The provisions of Section 23, Section 42 and Section 71 of the Act read with Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 (**the 'PAS Rules'**), provide that a Company shall not make an offer or invitation to subscribe to securities through private placement unless the proposal has been previously approved by the shareholders of the Company, by a Special Resolution for each of the offers or invitations.

The pricing for any instrument which may be issued by the Company on the basis of the Resolution set out at Item No. 4 of the Notice will be done by the Board (which term includes a duly constituted Committee of the Board of Directors / Authorized Officers) in accordance with applicable laws including the Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 and/or foreign exchange regulations, as may be applicable.

Accordingly, the Company is seeking approval from its Members under Section 23, Section 42, Section 71 and other applicable provisions, if any, of the Act, read together with the PAS Rules and Companies (Share Capital and Debentures) Rules, 2014, as amended, to issue securities, as set out in the Special Resolution at Item No.4 of the Notice, not exceeding Rs. 5,500 crore through issuance of NCDs, within a period of one year from the date of this Extra-Ordinary General Meeting.

None of the Directors and Key Managerial Personnel of the Company or their respective relatives are concerned or interested in the Resolution mentioned at Item No.4 of the Notice.

The Board recommends the resolution set forth in Item No.4 for the approval of the Members.

Item No.5

To appoint Shri Satish Kumar Dwivedi as Director of the Company
